### Stadium Notes

Nottingham Forest recommends that supporters who require accessible seating choose seats in Block X1, row P, seats 85-112 as these seats have a vomitory in front of them. These are Rail Seating seats so afford an additional support and protection element with rails both in front and behind.

Seats on the first rows of each block are also suitable for those with accessible needs, however please be advised there are a number of steps to access these seats.

Each block of the allocation contains Rail Seating tickets. Supporters have the option of standing throughout the match. Supporters who would prefer to be seated throughout the match should choose alternative seats. Rail Seating will be identified during the booking process for those who wish to remain seated.

### Car Parking

Nottingham Forest recommend supporters park at Nottingham Rugby Club Car Park, NG2 5AA, where space is offered on a first-come first-served basis on matchday.
